Dear Sponsor:

Thank you for considering a sponsorship of _____ as a member of the 2018-2019 Trojan Marching Band and Colorguard. The band and colorguard members seek sponsors to offset the cost of their equipment, transportation, and other expenses. Your generous, tax-deductible donation toward this goal will help the marching band and colorguard program continue to exist in these times of school and state budget uncertainty.

The band and colorguard members are participating in several fundraising activities during the marching season, however, the overall expenses per student can be overwhelming. This year, the average cost, per member, is \$400. Please feel free to contribute any amount you wish. All of the monies received go directly to sponsor the Marching Band and Colorguard.

Again, thank you for making a contribution to the 2018-2019 Trojan Marching Band and Colorguard. Please do not hesitate to contact me with any questions you may have.

Sincerely,

Bill Barrett, Director of Music
Yucca Valley High School
